Keep a tally on how high the bids go, and increase your bid by re-visiting the silent auction tables and reviewing the bid sheet(s).

If you bid, PLEASE plan to follow through with your payment and pick up of the item by the end of the day.

Before the close of each lot, an announcement will be made as a reminder to go back and make a last bid and check items you're interested in. After the lots close, check with the silent auction staff to find out if you've won, then please pay for your items.

HOLISTIC SUPPLIES

Vitamins and Supplements

for boosting and maintaining immune systems, preventing disease and building strong body systems

Dr. Harvey's Multi-Vitamin and Mineral Herbal Supplement is the perfect herbal powder for your dog. It contains all the vitamins and minerals necessary to achieve optimal wellness in your companion, including brewer's yeast and garlic, which are natural flea and tick preventives.

Naturavet Digestive Enzymes with Prebiotics and Probiotics.

Probiotics improve the health of the digestive tract by changing gut acidity, aiding digestion, and helping to detoxify harmful substances. They boost the dog's immunity and actively produce antibiotic substances.

Amber Technology products such as Kennel Koff, Parvaid, and Vibactra Plus.

Grapefruit seed extract, which has many health benefits including preventing giardia and treating kennel cough, is the least expensive way to keep your dog healthy. For a mere \$10 you get a bottle of 100 tablets (125 mg each). The pills are the color of "kibble" so you can put it right into your dog's food bowl.

We carry a variety of other products to boost your pet's immune system and help them achieve optimal health.

Homeopathic Remedies

Homeopathy is a safe and effective system of natural medicine.

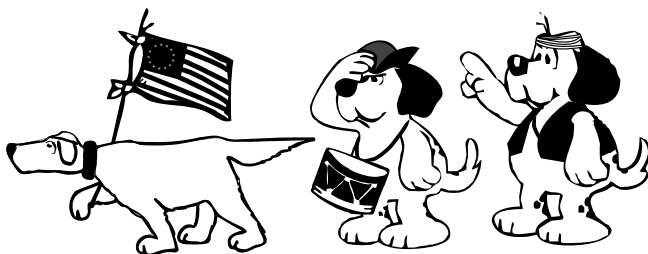

We offer simple remedies for bee stings, coughs and colds, and bumps and bruises. We offer preventatives and treatment remedies for lyme disease.

Save A Dog is a 501c3 tax exempt Humane Society whose mission is to rescue, rehabilitate, and find adoptable homes for abandoned dogs. We are a holistically-minded organization that believes in providing the highest quality care to our rescued dogs. We give the dogs vitamins, herbal supplements, and probiotics from day one as our shelter protocol. Each night the new arrivals are serenaded to animal healing music while enjoying a fresh chewie on their kuranda beds. We have a very strong foster home program so that the dogs are transitioned into the home environment as soon as possible. We educate our adopters on holistic care for their new dog and our Retail room carries pet food and all the holistic supplements at a very low cost to our adopters and supporters. Please come visit us during our open hours. Save A Dog was incorporated in 1999 and is funded entirely by private donations.

Please keep the historical grounds of the Wayside Inn litter free. For your convenience, doggy clean-up bags are inside your goodie bag, as well as available at all our Booths.

DOG WALK

During the Revolutionary war when British General Howe's dog accidentally crossed American lines, General George Washington wrote a letter to his British counterpart and returned the dog to him. No wonder we elected him the first President! In the midst of the Revolution he took the time to save a dog!

Save A Dog is a 501c3 non-profit organization.
Additional pledges and tax deductible donations should be mailed to:

Help Us Buy Our Shelter!

Save a Dog is in the process of purchasing the property where our shelter is located in Sudbury, MA and where we have been renting for the past seven years. This is a huge opportunity, not only to stay in the place we call home, but also ensures that we will continue to save more dogs.

Please help us secure the property that we have customized for our humane society. We provide several important community services that will continue to grow in our current location. Our teen volunteer program allows high school students to receive community service credits while volunteering at the shelter. Our meals-on-wheels program helps both dogs and cats to stay in their homes regardless of an owner's financial constraints.

We have a fantastic community and we are thankful for your support. We have the faith that all of our friends and supporters will rally together with very timely cash donations. All donations are tax deductible! Please donate today!
